STATEMENT OF SUBSTANCE OF INTERVIEW

Sir:

This Statement is being filed in response to the requirement therefor in the Interview Summary attached to the Notice of Allowance dated November 16, 2007. The Interview Summary refers to the interview between the Examiner and Applicants' undersigned representative on November 14, 2007.

In the interview, the Examiner proposed amendments, which he explained would overcome the art of record and would differentiate the claims over all other prior art in the field of the invention. Applicants' attorney also proposed an additional claim to provide Applicants with a more complete scope of protection. Accordingly, Applicants concur with the Examiner's summary of the interview as presented in the Interview Summary.

Applicants' undersigned attorney may be reached in our New York Office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address listed below.

Respectfully submitted,
